LIAISON COMMITTEE

8.1: Select a Liaison Committee

As soon as possible after the execution of this Agreement, the teachers of each school shall select a **Liaison Committee for each school building or support group from Association members at that school**, which shall meet with the principal or that group's immediate supervisor **at least once a month during that regular school year** to consult regarding the local school programs.

8.2: Develop the Focus Areas

The Liaison Committee **together with the principal or that group's immediate supervisor may develop the focus areas for staff development** consistent with the school's need to improve as evidenced by student outcomes.

8.3: School Program Consultations

School program consultations may include, but are **not limited to:**

- Curriculum content and philosophy
 - Teacher personnel policies
 - In-service training and faculty meetings
 - Pupil personnel/student supervision policies
 - Local budget allocations and priorities
 - Selection of materials for media centers/libraries
 - Scheduling, including minimum days and parent conference days
 - Planning and implementation of categorical programs
 - School safety issues
-

8.4: Liaison Committee Composition

The Liaison Committee shall be composed of one (1) member for every ten (10) teachers in the school building or support group, but will not have less than two (2) nor more than seven (7) members. The number of teachers may exceed this ratio with mutual agreement of the Superintendent and the President of the Association.

8.5: Faculty Meetings

The Liaison Committee, at its advance written request, shall be allotted a period of time at faculty meetings which shall not exceed five (5) minutes to present information concerning consultations of the Liaison Committee as specified in this Article.

8.6: Right of the Association to Consult

Nothing in this Article shall supersede the right of the Association to consult as provided for in Article 8.

Checking for Understanding

6.3 Elementary Planning and Preparation

- 6.3.1 The regular time for this planning and preparation shall be determined at each site by the site liaison committee and the site administrator.
 - 6.3.2 Exceptions to the use of the above Section 6.3.1: Planning and preparation may be requested in writing to the site administrator by the participating teacher, subject to approval by both the site administrator and the site liaison committee.
-

6.14 Non-Teaching Duties Within the Teacher's Work Day in Grades K-8

- 6.14.1 In grades K-8, the site administrator shall develop a roster of non-teaching duties to be performed by teachers during the teachers' work day. Such roster will be reviewed with the site Liaison Committee and shall be consistent with the purpose and intent of Section 6.14.5.
 - 6.14.5 As soon as practicable after ratification of this Agreement, the administrator and Liaison Committee at each site shall meet for the purpose of evaluating available site resources to formulate a plan for providing supervision of students outside of instructional time, with emphasis on reducing non-instructional duties.
 - 6.14.6 Teachers in grades K-8 shall not be required to perform before-school duties, except in emergency situations. An emergency back-up system, including what constitutes an emergency, shall be jointly developed by the Liaison Committee and the site administrator.
-

15. Teacher Safety

- 15.15 The Association and District will work together to increase school safety. The site Liaison Committee, through the School Site Council, will help to bring safety concerns forward to the Association/District Safety Committee.
-

22. Substitute Teachers

22.6 Liaison Committee

- Substitutes selected for the Liaison Committee shall not be paid unless scheduled to work on the Liaison Committee meeting days.
-
